

## **QUECHEE COVID-19 ASSURANCE**

*Updated November 30, 2020*

Due to the impact of COVID-19, the upcoming season may be different in some ways. We remain committed to providing the best possible experience at Ski Quechee. To help ease any concerns about purchasing a season pass for the upcoming 2020/21 season, Ski Quechee will honor the following for all 2020/21 season passholders:

**Season Passholder Priority Access:** Ski Quechee may limit ticket sales on certain high-volume days this season due to COVID restrictions. Season pass holders will be given priority access on these days.

**Deferment to 2021/22 Season:** If you do not use your 2020/21 Season Ski Quechee Pass, you will have the option to defer the use of the pass until the 2021/22 season. Please note:

- Only passes with zero use are eligible for deferment. A season pass used for 1 or more days is not considered eligible.
- This offer applies only to a one-time deferral of a 2020/21 pass to the next season, 2021/22.
- Passes have no cash or credit value; season pass purchases are non-refundable.
- The pass will be moved to the 2021/22 season at no charge, regardless of a price increase.
- Requests for deferment must be submitted in writing to [info@quecheeclub.com](mailto:info@quecheeclub.com).

**COVID-19 Closure:** If Ski Quechee is required to close for the season prior to February 1, 2021, due to reasons related to COVID-19, Ski Quechee will honor 2020/2021 passes in the following 2021/2022 season. Our management team will continually monitor the situation and reserves the ability to make adjustments as needed, always with the goal of providing a safe, affordable and enjoyable atmosphere for everyone at Ski Quechee.
