Lakeland

The Lakeland Course measures 6,670 from the tee to green and features a combination of gently rolling fairways. A long stretch of the Ottauquechee River runs adjacent to the course, making ball placement and skillful shot management key to a successful round. Its rolling generally wide fairways often allow the ball to gain extra distances off the tee. Lakeland is more of a flat links-style course where water comes into play on all but 5 holes.

Highland

The Highland Course has the distinction of being ranked in the top three in the state of Vermont and top 200 in the country by GolfWeek Magazine. Playing 6,840 from the back tees, the Highland course is more of a mountain course design encircled in many areas by stands of trees and defined by dramatic elevation changes from tee to green on several holes. This course demands strategic play and accurate shots. Several side hill lies, and panoramic views add to the challenge of staying focused.
